> Airy Fairy Lillian in the "Grand Many Sports Leave To-Day for the Duchess" at the Casino.

The weather of the past week has not been a flowing sea hove alongside the Fulltzer such as to gladden the hearts of the tew dar- building just after eight belis in this morn- log theatrical caterers who keep open all gracefully into first position. Brooklyn was Summer. Business has been affected every- on its way home. Cincinnati dropped a game ing's watch. After running about eleven stories he threw a line to The Evening where rather severely, though all the learning through costly errors. Would editorial rooms and asked to be taken aboard. This, by the way, is—as Nellie Far. The cabin boy conveyed his message to the ren would say a funny little way they've feated Cincinnati by the score of 2 to 1. Balofficer of the dock, and Ernest Englebrecht, disabled seaman of the United States traindisabled seaman of the United States training-ship Minnesota, his tarry topinghts in mourning, his head covered with bandages and his heart full of grievance, presented his round robin to the Grievance Editor.

Ernest's appearance when he was sighted in the offing was not near so beautiful as the procession of the White Squadron up the bay the other day. He had undoubtedly been up the bay, also over the bay, and his tale of having fallen in with an east-side tornado in the crefully examined. Digby Bell has returned.

n ously as ever.

"The Grand Duchess" has been very well received at the Castno, and Miss Lillian Russell is giving an admirable interpretation, Duchess. The management of the first process. The Minnesota Hea off the foot of Fiftleth street in the North River, and Ernest had been having all the fun possible in the two or three days shore-leave that he obtained. Naturally he "took in "Cherry and "James" from a vocal point of view of the frisky Duchess. The management have been relormances of the opera, but this they wisely decline to do. Afternoon performances during the hot weather are by no means necessary. Rudolph Aronson and his wife are still abroad, "interviewing" Miss Pauline
L'Allemand, who will sail for this city next week and appear in the next Casino producweek and appear in the next Casino producweek and appear in the next Casino producand they threatened to blow up the house of C. French where the contractors boarded. Mr. French became so alarmed that he moved his family out of the house.

The last two days have been times of terror and excitement here. That a bloody riot was imminent no one doubted, but an outbreak was prevented through the tact and good judgment of the ladies of the village.

When the first numbers of discontent were heard several special policeman were sworn in. They patrolled the streets heavily armed and the sight of these only aggravated the first touble.

The Italians said it was injustice enough to be cheated out of their money without being placed in langer of being shot down for deplaced in langer of being shot down for designed and the stop of a saloon at Jain's and Cherry and Power ins redeemed himself in the grant of the laties and probabilities, is of no consequence to anybody. "Wang "is certainly a great go, and they are the laties and probabilities, is of no consequence to anybody. "Wang "is certainly a great go.

nt of the ladies of the village.

It the first murmers of discontent were several special policeman were sworn hey parrolled the streets heavily armed he sight of these only aggravated the couble.

It is illains said it was injustice enough to heated out of their money without being cod in langer of being shot down for dead out of their money without being cod in langer of being shot down for dead out of their money without being seed in langer of being shot down for dead out of the industry. Found himself at two bells restardly morning waten, quictly sitting on the stoop of a saloon at Jam's and Cherry streets, reflecting on the delights and delights and delights and delights and only a solid latter would have been worsted.

The men had neither money nor food. The ladies of the yillage saw that the situation was serious. They concluded that if hunge was serious. They concluded the wroth of the man would be and sent several hunge was serious. They concluded the two wonders a serious of the yillage saw that the situation was serious. They concluded that if hunge was serious. They concluded the wroth of the man would be and sent several hunge was serious. They concluded the word of the saloon with them. The men had neither a several hunge was serious and the serious and the several will neither the sectated of a New Yers, and his remained to "fan" the sold of the saloon with them. The serious production is a thoroughly serious production is a thoroughly serious production is a thoroughly good one, grageous from a secile point of view, and thoroughly as to artists. It has done wonders so far from a business of a new Yers and the second of a

Briest moved on about a block, and, missing stays, again sat down to reflect, when, he says, he saw the two "coppers" acoust two young women and enter a salson with them.

Herrified at the spectacle of a New York policeman shaking hands, as it were, with questionable practices, Ernest approached the officers as they came out of the salson and findly but firmly remonstrated with the officers as they came out of the salson and findly but firmly remonstrated with the first of the salson and findly but firmly remonstrated with the first of the salson and findly but firmly remonstrated with the first of the salson and first of the salson and findly but firmly remonstrated with the for such unbecoming conduct.

"He -r - r ub a - dub-dub! Biff! Bang! Ernest had not expected so vigorous and direct a reply. The brilliant display of stars was greater than he had ever seen before, even in the Arctic, and he was astonished at the effectiveness of the policemen's night siticks.

Then the policemen bore off. Ernest took a tack across the Bowery and brought up with a good full at the Mulberry street police statiction, where his wounds were dressed and a hole in his head jury righted. He asked for satisfaction, and was told to call at the Oak street station.

Capt. O'Connor trouted out his men for inspection at roll-call last night, but all recollection of the appearance of his assaliants had been clubbed out of the anilor's head and how was unable to identify them.

Now, like Billy Patterson of sainted memory, he wants to know who struck him.

FOUND DRUNK IN A BARBOOM.

the five feed livits.

Boloasy Khair's latest spectacle, "King Solomon," at El borado, on the Pallisades, has slienced the pessimists who believed that people could not be induced to go to the classic regions of Wechawken. As a matter of fact, people can be induced to go anywhere where a pleasant entertainment is furnished at a very reasonable price. The catertainment at El borado is an admirable one. The spectacle itself is well worth secting, and the

Nellie Nolan, aged fourteen, told a shocking story to Justice McMahon in the Yorking story to Justice Itself is well worth seeing the promenade concerts in the gorgeously lighted grounds are delightful. These grounds, with their thousand lights, quant buildings and inturers service surroundings, would also be compensation for a much more trying trip than that across the North River to Weelnawkon. Nahan Franko leads the band, and Jules Levy, the well-known cornettist, appears.

The Eden Musec is open night and day, with the usual number of attractions. The Japanese laynch in vited them in.

"I asked the barkeeper to give us some something better than that. He inade us two whiskey sours and sat in the privace box with us while we drank them."

While they were in the gorgeously lighted grounds are delightful. These grounds, with their thousand lights, quant buildings and histores they are delightful.
